2019 Policies and Procedures

What is the JGAC?

The Junior Golf Alliance of Colorado (JGAC) was established in 2016 by the Colorado Section of the PGA and the Colorado Golf Association. The JGAC serves as a vehicle for collaboration in the arena of junior golf in the state of Colorado for parents, kids, coaches and PGA Professionals by streamlining the junior golf process, filling in the voids, further building the junior golf ranks, and creating new excitement with the four Major Championships (Colorado Junior Amateur Championship, Colorado PGA Junior Championship, Colorado Junior Match Play Championship and Junior Golf Alliance of Colorado Tour Championship).

In addition to being your one-stop-shop for competitive junior golf, our Player Development Pathway embraces the core programs of each association including Golf in Schools, PGA Junior League, Drive Chip & Putt Championship, partnerships with in-state national qualifying events, instructional camps and clinics and much more. Additionally, we serve as your portal to college golf with a vast array of free counseling opportunities and assistance programs.

Appreciation of Support

The Junior Golf Alliance of Colorado is a 501(c)3 non-profit organization, and without generous contributions of sponsors and courses, our extensive schedule of programs and events would not be possible.

All juniors are encouraged to take a moment at each event and personally thank the host professional for their support. Many individuals also give their time freely to assist with all JGAC events; a simple thank you is a reminder of how much they are appreciated.

2019 Policies and Procedures

Volunteer Opportunities

Volunteers are needed at all JGAC events. Duties may include helping with check-in, starting, live scoring, marshalling, spotting, and rules officiating. Vast golf knowledge is not a prerequisite to volunteering.

The JGAC also offers volunteer opportunities for members ages 11-18. Available opportunities may include live scoring, assisting with Drive Chip & Putt qualifiers, or serving as a walking scorer in the 10 & Under division. These volunteer hours can be used to fulfill community service project hours required by high schools and other organizations. If you are interested in becoming an event volunteer, please contact the JGAC.

Financial Assistance

Financial assistance is available to any junior unable to afford tournament entry fees. Please contact the JGAC at 303-4JR-GOLF for more information about the application process. Once applications are received, the JGAC Committee will determine if, and to what amount financial assistance is to be granted.

2019 Policies and Procedures

Membership Criteria

JGAC membership is open to boys and girls ages six up to their 19th birthday or the day they enter college, whichever comes first. The JGAC does not recommend membership to those under the age of six, but membership may be granted on a case-by-case basis. Out-of-state residents are welcome to JGAC membership. JGAC membership is not necessary for participation in PGA Jr. League or Drive Chip & Putt.

Membership dues are paid annually and are non-refundable. Membership is valid for the calendar year. No pro-rated fees for partial year memberships or family discounts are available. You must be a registered and paying member before registering for tournaments or events.

Membership includes an active GHIN number to track the player's handicap index. If a player currently holds a GHIN number, JGAC will re-activate it through the "JGAC Club". If a member did not previously have a GHIN number, the JGAC will issue a new number. See GHIN Number and Handicap Index section of this handbook for more information.

Youth on Course

In 2019, JGAC members also receive a Youth on Course (YOC) membership. Each member's GHIN number will also serve as his/her YOC membership number. Players must complete the online Life Skills Certification curriculum before participating in YOC initiatives. Once this is complete, players will receive a YOC membership card which may be presented at participating facilities to play golf for no more than \$5.00 during stipulated times.

2019 Policies and Procedures

Membership Levels

The JGAC offers three different levels of membership in order to best serve golfers of all skills and abilities.

GHIN Number and Handicap Index

Having a GHIN number and a handicap index is an important part of the game. First, it allows players to track progress as skills improve and scores lower. Second, players of different skill levels can fairly compete against one another in net tournaments and informal games. Finally, it is a requirement for entry into almost all competitive golf events in Colorado and across the country.

During tournament play, members with similar handicap indexes will be paired together with the intention of playing with someone of similar playing ability. Players who have not posted a minimum of five 18-hole rounds to their GHIN number will show up as an "NH". Players with an "NH" will all be paired together. There is then a chance that the player will be paired with someone of either a higher or lower playing ability.

The JGAC will post all tournament rounds to players' GHIN numbers in the 11-13 Series, 14-18 Series and Tour Events. When players in the 10 & Under division play from USGA rated yardages, scores will be posted. All non-JGAC tournament rounds shall be posted by the player. This can be done at www.ghin.com or through the GHIN mobile app.

Membership in the JGAC Tour requires a handicap index of 14.1 or lower for girls and 8.1 or lower for boys at the time of membership registration. A player that has not previously held a GHIN number may also be admitted to the Tour by submitting score history and a recommendation from a PGA Professional. There are no handicap requirements for JGAC Introductory or Series memberships. As soon as a player becomes eligible, he/she may upgrade to JGAC Tour membership by paying the remaining balance. A player is NOT required to be a JGAC Tour member because they meet the handicap index requirement.

2019 Policies and Procedures

Tournament Registration

Entries for JGAC tournaments will be accepted beginning February 1, 2019. Entries must be submitted by 11:59 p.m. on the day of the deadline. Tournament registration deadlines are one week prior to the event. Registrations will be approved by JGAC staff within two business days.

You MUST be a registered and paid JGAC member before registering for events.

Tournament Tee Times

Approximately four days prior to the event, a pairings list with tee times will be e-mailed to participants and published on the JGAC website. The e-mail will state the time that check-in and the course driving range opens. Please do not arrive at the facility before that time. The staff and course need time to prepare the venue.

Specific tee time and pairing group requests will not be accommodated. Family members will not be paired together except in rare circumstances approved by the Tournament Committee.

Tournament Waiting Lists

If an event is oversubscribed at the time of registration, players will have the option to be placed on a waitlist. **Prior to the deadline**, if a spot becomes available in the event, players will be entered into the field on a first-come, first-served basis. **Once pairings have been published**, if a spot becomes available, players will be entered into the field on a first-come, first-served basis in his/her respective division.

Waitlisted players are welcome to wait at the tournament site the day of the first round for players who may cancel the day of the tournament or who are no shows. Only players who are JGAC members will be allowed into the event. If multiple players are standing by at the tournament site they will be entered into the event based on their number on the tournament waitlist. For example, if three players arrive at the site who are waitlisted as #5, #17 and a third JGAC member who is not on the waitlist, they will be added into the field in the order of #5, #17, and then the player who was not on the waitlist.

Credit cards will not be processed until the player is entered into the tournament.

No Show/No Card Policy

Failure to withdraw (no show/no card) will result in forfeited entry fee for that event. The second time this occurs, players may be suspended from entry in future events.

Tournament Withdraw and Refunds

In the event that it is necessary to withdraw from an event, please do so online or by calling the JGAC office.

- ◇ If players withdraw **prior to the registration deadline** (11:59 p.m. the week prior), a full refund of the tournament entry fee minus a \$5.00 credit card processing fee will be issued. Or, a player may receive a full credit to their account for future use.
- ◇ If players withdraw between the registration deadline and **48 hours before the start of the event**, a 50% refund of the tournament entry fee will be issued. Or, a player may receive a 50% credit to their account for future use.
- ◇ If players must withdraw **less than 48 hours before the start of the event**, please call the JGAC office or text/e-mail the tournament director. No refund will be issued. Receiving a credit is not an option.

If players must cancel or withdraw on **the day of an event**, please text or e-mail the tournament director. As a courtesy, call the course at which the event is being played and ask that a message be given to the JGAC staff so we may add a waitlisted player into the field.

Weather Delay/Cancellation

It will be at the discretion of the tournament director or tournament committee to suspend or cancel play. In the event of lightning or other dangerous situations, play will be suspended until conditions are safe.

Please check emails or cell phones for texts prior to the event in the case of inclement weather. The JGAC staff will contact the host course and email/text all players if there is a change or cancellation of an event. Please do **NOT** contact the host golf course for information the morning of the event.

2019 Policies and Procedures

Caddies

Caddies are permitted in all divisions of 10 & Under events and 9-Hole Prep Events. Caddies may be a parent or guardian of the player.

Caddies do not need to register with the JGAC prior to the event.

This policy does not apply to USGA events. Please consult the USGA entry form.

Player Responsibility

All players are to protect the field during tournament play. A player or player's scorekeeper (marker) must not sign a scorecard that he/she believes is incorrect.

A player shall not permit any score to be posted that he/she has evidence is incorrect. Players shall not leave the scoring area until, as a group, they reconcile, sign and attest all scorecards. Both the player and the marker may be subject to disqualification if they knowingly sign incorrect scorecards.

Please remember it is the responsibility of the players, not parents or spectators to verify scorecards. Parents are not allowed in the scoring area. If players have difficulty confronting fellow competitors directly, please talk to a rules official or tournament director prior to signing scorecards.

Rules and Etiquette

The USGA Rules of Golf will be in effect at each event. Rules officials and staff members will be on site to help teach and enforce the rules in attempts to protect the field. Please help your child understand the basic rules and etiquette of the game. When a player is uncertain of a rule, he/she should call the phone number provided on the scorecard or Notice to Players to contact the tournament director via cell phone.

Cell Phone Policy

A player may only use devices that do not make audible noise. If a player's phone makes an audible noise (including vibrations which can be heard) during a round, the player will receive one warning. Subsequent offenses may result in disqualification.

Local Rule G-8 is in effect at all JGAC events: "Rule 4.3a(4) is modified in this way: During a round, a player must not listen to or watch content of any nature on a personal audio or video device."

Players are encouraged to use their cell phones to contact the tournament director in emergency situations. The tournament director may also assist with rulings over the phone and will be able to quickly respond to on-course issues when made aware via cell phone.

Disrupting cell phone use during a round is considered unbecoming conduct and the tournament committee may disqualify a player under Rule 1.2b for a serious breach of etiquette and may reject a player's entry into future events. Spectators who misuse cell phones will be asked to leave the course.

Distance Measuring Devices

Distance Measuring Devices (DMDs), or rangefinders, are permitted for all JGAC events. Features used to gauge other factors such as slope, wind, temperature, etc., must be disabled. Cell phones are permitted if the app is being used to measure distance only (See Rule 4.3a).

Pace of Play

The JGAC Timing Pace of Play Policy will be in effect. As a recommendation to improve each group's pace of play, the following guidelines as laid out by the AJGA will be implemented.

1. Play ready golf throughout your entire round.
2. Must, Must, May
 - ◇ **Must** - The first player to finish playing a hole **MUST** immediately grab their bag and start making their way to the next tee. In doing this, the player walking ahead is expected to be quiet and courteous to his/her fellow-competitors. The player should periodically look back to watch the other players' shots.
 - ◇ **Must** - This player **MUST** be the first person to play from the next teeing ground. This player must be getting their yardage and determining club selection while the other players are finishing the previous hole and walking to the tee.
 - ◇ **May** - This player **MAY** tee off if he/she chooses to. All players must confirm scores on the previous hole prior to leaving the tee.
3. When spotters, officials or parents are available to help search for a lost ball, other players in the group will go forward to play their next shot in attempts to hold the group's position on the golf course. After advancing their ball, the entire group may search for the remainder of the three minutes.
4. Walk with a purpose between shots and from green to tee.

Rules and Competitions

Play in tournaments and events conducted by the JGAC are governed by the USGA Rules of Golf and supplemented by the JGAC Tournament Rules and Conditions of Competitions, commonly referred to as the "Hard Card". Its rules apply to all JGAC stroke play tournaments and events. Supplemental local rules will be distributed at events accordingly.

Every JGAC member can pick up current copies of the Rules of Golf and JGAC Tournament Rules and Conditions of Competitions on the first tee or at the registration table at all JGAC events. It is each player's responsibility to be familiar with and carry both in his/her golf bag.

Tiebreaking

In the event of a tie in a stroke play competition, first place ties will be decided by sudden death playoff on the course, time and weather permitting. If a playoff is not feasible, the tie will be broken by using a scorecard playoff. Ties for 2nd, 3rd, etc. will be determined by a scorecard playoff, unless otherwise specified by the tournament committee, commonly due to qualifying events.

Scorecard Playoff Procedure

The winner will be determined by the best total score on holes 10-18 of the final round, regardless of the players' starting hole. If the tying players have the same total score on holes 10-18, the winner will be determined by total score on holes 13-18. If a tie still exists, the winner will be determined by total score on holes 16-18. If a tie still exists, the winner will be determined by score on hole 18. If a tie still exists, the winner will be determined by lot.

Golf Carts

Motorized carts are not allowed at any JGAC event for use by participants without preapproved medical documentation. Contact the JGAC beforehand if this pertains. Pull/push carts may be used by participants unless otherwise directed by the facility.

Participants may ONLY accept a ride when warranted by a tournament official. If an emergency arises, please call the rules phone number.

Spectator Carts

The use of spectator carts is at the discretion of the host facility. Some facilities may require handicap or medical documentation. If the facility allows spectator carts, they may be rented at a cost set by the facility.

Spectator Policy

We realize that it is enjoyable for friends and family members to watch junior golfers, but in order to protect the competition and the junior golfers, and in keeping with the traditional role of a spectator not to interfere with any player on the course, all spectators are required to adhere to the following guidelines while watching a JGAC Tournament.

- ◇ Spectators and parents, except those volunteering in an official capacity, are not allowed in the scoring area.
- ◇ Walk only on the cart paths or in the rough where cart paths are not available. Always be aware of other groups on the course and don't hold up the group behind you.
- ◇ Golf carts will only be allowed at the discretion of the host facility.
- ◇ All spectators shall stay a reasonable distance away from the junior golfers at all times.

- ◇ Do **NOT** walk alongside the junior golfers while walking down the fairway or to the next teeing ground.
- ◇ Do **NOT** talk with the players in a way that may be construed as giving advice, resulting in a penalty for the player.
- ◇ Do **NOT** attempt to give rulings or advice. There are several rules officials on the course to provide the players with assistance if they need it. Spectators may help a player call the rules phone number if needed.
- ◇ Spectators are encouraged to look for balls. This should be done with no other interaction with the player.
- ◇ Disrespect to tournament officials, volunteers and other players will not be tolerated.
 - ◇ Obscene, abusive or vulgar language will not be tolerated.
 - ◇ Interfering with discussions on rulings and scores will not be permitted.
 - ◇ Distracting play by loud talking with other spectators or use of camera, cellular phones, radios, or beepers during competition is strictly prohibited. Cameras and/or video cameras may be used if they do not cause a distraction to the players.
- ◇ Spectators are asked to encourage all participants with polite clapping.

Parental or spectator interference may result in disqualification of the related participant. This policy has been adopted to protect the players. Any continued non-compliance with these policies will result in being asked to leave the course and possibly a loss of future spectating privileges.

Code of Conduct

The JGAC provides a venue for our members to participate in a game which can be pursued throughout life and which helps to develop character, sportsmanship, and the life values of integrity, honesty, self-discipline and competitive spirit.

Junior golfers are expected to comply with the following expectations throughout the tournament season, both on and off the course. Participants and spectators are expected to show good sportsmanship and proper conduct during all JGAC events.

Any of the below behavior will be met with severe consequences as determined by the tournament committee. Flagrant or subsequent violations will result in automatic disqualification. Repeated infractions will result in suspension of membership.

- ◇ Cheating
- ◇ Disrespect of officials, course staff and tournament directors

Post Season Awards

The JGAC believes in recognizing players for their accomplishments throughout the year. As players accumulate points throughout the year, they will be recognized for their success. The JGAC Points Lists are used in determination of most awards. For event-by-event points allocation, visit www.juniorgolfcolorado.org.

JGAC All-Star Team

The JGAC will recognize junior accomplishments by naming an All-Star Team comprised of both boys and girls. Team members are selected by the JGAC Staff and will be recognized accordingly. Recognition is, in part, determined from the final JGAC Tournament Players' Point Lists.

Points Chase Champions

The top finisher on each JGAC Points List will receive recognition for their accomplishments at the conclusion of each division's respective season.

JGAC Academic All-Star Team

The Junior Golf Alliance of Colorado recognizes those members who have displayed outstanding academic achievements within the classroom for the academic school year. Upon completion of the season, the JGAC will present certificates to respective students who have proven to be Academic All-Stars through achieving a 3.0 and above (or equivalent) on a 4.0 scale. Members will receive e-mail notification when transcripts and report cards are being accepted.

Most Improved Player Award

Each year, a boy and girl will be awarded with a "Most Improved Player Award". Scoring average, player attitude, overall growth and points accumulation will be used in the committee's determination of recipients.

Player of the Year Award

Players of the Year will be determined by committee decision. These players epitomize what it means to be a high-level, accomplished golfer in all areas of the game.

Major Championships

The JGAC conducts four Major Championships.

Colorado Junior Amateur Championship

The Colorado Junior Amateur Championship is the historical CWGA and CGA Junior Stroke Play Championships. This 54-hole event is conducted over three days with a 50% cut in both boys and girls fields after 36 holes.

Entry

Exempt Players: Criteria for exempt players may be found online.

Qualifiers

Any non-exempt JGAC Tour member or JGAC Series member who meets handicap index requirements may compete in the Colorado Junior Amateur Championship Qualifiers. Two qualifiers will be conducted. The number of qualifiers from each qualifying site will be determined on a percentage basis. For example, if there are 30 qualifying spots available and 50 players compete in Qualifier 1 and 100 players compete in Qualifier 2, 10 qualifiers will come from Qualifier 1 and 20 players will come from Qualifier 2. Players may only compete in ONE qualifier.

If a qualifier is cancelled for any reason it will not be rescheduled. Qualifying players will be determined by current ranking on the 2019 JGAC Tour Points list (as of the date of the scheduled qualifier). If players have zero points on the 2019 JGAC Tour Points list, the 2019 JGAC Series Points list will be used secondarily. If players have no Tour or Series points accumulated, spots will be determined by lot.

Entry Fee: \$50.00 (qualifier entry fee) + \$100.00 (remaining balance)
